Whispers Across Time's Forgotten Horizon

Dilkesh Gangwar

Research Scholar,

Department of English,

Govt. P. G. College Bisalpur (Pilibhit) UP

In this paradoxical modern world we live,
Where futility and uncertainty collide and give,
Untold stories hidden in the depths of time,
As we search for meaning, it slips like a chime.

Progress marches on, technology strides,
But within, a sense of emptiness resides.
We chase success, wealth, and fleeting fame,
Only to find they're merely an illusionary game.

Amidst the chaos, distractions in full bloom,
Yearning for moments of quiet and room,
Yet the pace never slows, it only quickens,
Leaving us lost, our souls feeling stricken.

The future looms ahead, a haze of doubt,
Navigating a world where complexity shouts.
What once seemed certain now holds no sway,
Leaving us questioning the price we pay.

Seeking connection, but feeling more alone,
Virtual interactions, reality overthrown.
Authenticity fades, replaced by shallow trends,

Longing for genuine human blends.

Yet amidst this futility, hope still gleams,
Reminding us of our own resilient dreams.
For in the midst of chaos, we find our voice,
Rising above the noise, making a conscious choice.

Finding meaning in the simplest of things,
Embracing uncertainty and the joy it brings.
Through the relentless race of this modern strife,
Rediscovering humanity, enhancing life.

So let us pause amidst the whirlwind's swirl,
Find beauty in the futility of this modern world.
Within uncertainty lies a chance to grow,
To shine brightly and let our inner selves glow.
